Re: Notice of Results of Opt-Out Vote for Sprinkler System Retrofitting

Dear Owner:

This firm represents Harbor Isles Condominium Association, Inc. ("Association"). We are contacting you to notify you of the results of the recent ownership vote to forego the fire sprinkler system retrofitting per Florida Statutes, Section 718.112(2)(l). Specifically, we are contacting you to notify you that a majority of the ownership voted to forego the retrofitting, as explained below.

There are a total of six hundred and forty-nine (649) voting interests in the condominium association. A total of five hundred and forty-six (546) votes were received in favor of waiving the State of Florida requirements. A total of nine (9) votes were received not in favor of waiving the State of Florida requirements. Pursuant to the above referenced total the Association has voted to forego the retrofitting per Florida Statutes.

Please be advised, all owners are required to present a copy of this Notice to all new owners prior to the closing and all tenants prior to the signing of a lease. This is a statutory requirement that must be completed.

Best wishes,

Jennifer L. Daly, Esq.
